Greetings and welcome to the Avengelyne swimsuit issue!

All of us crazy folks at Maximum Press would like to thank you for buying this book and supporting the Avengelyne comic! It's been almost a year since that fateful day when the first issue came out and (WHEW!!!) it has definitely been one insane year! The story of the fallen angel, who's out of place in her mortal frame here on earth (fighting for redemption against all those pesky demon hordes who never seem to leave her alone), seems to have taken hold in comicdom! In fact, after three mini-series and a few other related stories, we're proud to announce the **Avengelyne** ongoing series will be launching in April! What?! Do I hear the pitter patter of little feet? Well...that's still a few months away, so between now and then you'll be able to get your Avengelyne fix with **Avengelyne Deadly Sins** (2 part story), **Asylum** (serialized Avengelyne stories plus a ton of other cool stuff) and the **Avengelyne Power trade paperback** (new pages and cover) coming in April!! So sit right down, strap yourself in and enjoy the wonderful results of Garr Martin's photography session (highlighted in Avengelyne Power #2)!

Carpe diem,

Matt Hawkins
